I: Preparation for the Arab participation in the "Third Preparatory Committee for the 2020 Review Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons" (New York: 29th April-10th May 2019):

- Lebanon has recorded its reservation to paragraphs 3, 4 and 7 of the resolution on the Iranian interference in the Arab States internal affairs:
  Lebanon has recorded its rejection for labelling Hezbollah as “terrorist” and referring to its existence in the Government, which cannot be agreed as it is not classified as thus by the United Nations, and is inconsistent with the Arab Convention on the Suppression of Terrorism with regard to distinguishing between resistance and terrorism, and that Hezbollah is a fundamental component of Lebanon and embodies a large segment of the Lebanese people with a balanced parliamentary and ministerial bloc in the Lebanese constitutional institutions.
