- In light of the outcomes of the Arab League Council Meeting at Permanent Delegates Level on 7th March 2022,

1- Reaffirms the centrality of the Palestinian question for the entire Arab nation, the Arab identity of the occupied East Jerusalem, capital of the State of Palestine, and the right of the State of Palestine to absolute sovereignty over all its territories occupied in 1967, including East Jerusalem, its airspace, territorial waters, natural resources and borders with neighboring countries;

2- Reaffirms adherence to peace as a strategic option, and to resolve the Arab-Israeli conflict pursuant to international law, pertinent international legitimacy resolutions, including Resolutions 242 of 1967, 338 of 1973, 1515 of 2003 and 2334 of 2016 respectively, and the Arab Peace Initiative of 2002 with all its elements, which stipulated that comprehensive peace with Israel and normalization of relations must be preceded by an end to its occupation of the Palestinian and Arab territories occupied since 1967, including East Jerusalem, and recognition of the State of Palestine and the inalienable rights of the Palestinian people, inter alia, the right to self-determination and the right of return and compensation for the Palestinian refugees and a just solution to their cause according to United Nations General Assembly Resolution 194 of 1948;

3- Emphasizes that any peace initiative contrary to the international terms of reference of the Middle East Peace Process is unacceptable and unsuccessful and rejects exercising any financial or political pressure on the Palestinian people and leadership with the aim of imposing unjust solutions for the question of Palestine;
4- **Affirms that** the implementation of the Israeli occupation Government plans to annex any part of the Palestinian territory occupied since 1967, constitutes yet another war crime added to the long record of Israeli atrocities perpetrated against the Palestinian people and its blatant violations of the Charter, United Nations resolutions and international law; and calls on the international community to put tremendous intolerable pressure on the occupation Government to halt its annexation and settlement schemes and other hostile colonial procedure;

5- **Supports and endorses** the peace plan presented, once again, by HE President Mahmoud Abbas of the State of Palestine before the United Nations General Assembly on 25th September 2020 and seeks cooperation with the Quartet, international actors to establish an international multilateral mechanism for a credible peace process within a specified time frame and international control, including the call for convening an international conference to restart negotiations on the basis of international law and international legitimacy resolutions, the principle of land for peace and the two-State solution, leading to end the Israeli occupation which began in 1967; establishment of the independent State of Palestine with East Jerusalem as its capital according to the 4 June 1967 borders;

6- **Reaffirms** the condemnation of Israeli settlement policy and measures; calls upon the Security Council to assume its responsibilities towards the implementation of its Resolution 2334 of 2016, to hold violators accountable, to confront and halt the construction and expansion of the settlements and the annexation wall, as well as the forced displacement of the Palestinian population and demolition of their property; and emphasizes that the boycott of the Israeli occupation and its colonial regime is one of the most viable and legitimate means for its resistance and termination and for achieving peace and calls upon all States, institutions, enterprises and individuals to boycott and to halt all forms of direct and indirect transactions with the Israeli colonial occupation regime and its illegal settlements, including prohibiting illegal Israeli settlers entrance to States and rejects all attempts to criminalize this boycott and muzzle the voices as a pretext for "anti-semitism";

7- **Reaffirms** the refusal of granting Israel (the occupying Power) an observer membership in the African Union, which contradicts the principles and values of the African Union against colonialism, discrimination and apartheid, as well as the decisions of the African Union issued at the summit and ministerial levels, and the African Union firm positions to support the question of Palestine; and condemns all forms of Israeli practices against the Palestinian people; in this context, expresses appreciation and support for the efforts exerted by Member States: Algeria, Comoros, Djibouti, Egypt, Libya, Mauritania and Tunisia, at the 35th Summit of the African Union (February 2022), which led to the suspension of Israel's observer membership in the African Union. Calls on
the brotherly and friendly countries in the African Union to continue their
efforts to prevent Israel from obtaining undeserved status in the African Union.

8- **Reaffirms** the implementation of the resolutions adopted by the Arab League Council at the Ministerial Level on Addressing Israeli targeting of the question of Palestine and Arab National Security in Africa and the need to strengthen cooperation with the African Union in support of the question of Palestine and its resolutions in international forums and requests the concerned Special Arab Ministerial Committee to pursue its work pursuant to the approved plan to this end;

9- **Condemns** the extensive Israeli crimes against the Palestinian people, including the repeated barbaric Israeli aggression on the besieged Gaza Strip, as well as the brutal attacks on peaceful Palestinian demonstrators in the occupied Palestinian territories, including the towns of Beita and Yatma and Jabal Sabih in the occupied West Bank, and the eastern line of the occupied Gaza Strip borders;

10- **Urges** the International Criminal Court to move forward with the criminal investigation of war crimes and crimes against humanity, which have been committed by Israel against the defenseless Palestinian people, including the forced displacement of Palestinians from their homes in occupied East Jerusalem, and calls on the Court to provide all human and material capabilities for this investigation and to give it due priority;

11- **Reaffirms** the refusal to recognize Israel as a Jewish State; condemns the systematic and racist Israeli policy of enacting Israeli legislations to undermine the historical rights of the Palestinian people, including the right of refugees to return and self-determination and to discriminate against them on the basis of religion and race; *salutes and supports* the steadfastness of the 1948 Palestinian people;

12- **Emphasizes** the importance of the reports of international human rights organizations, including Amnesty International and Human Rights Watch, which disclose by evidence and reasons the apartheid regime imposed and practiced by Israel, the occupying Power, against the Palestinian people, through systematic Israeli policies, legislation and plans aimed at persecution, oppression, domination and dispersal of the Palestinian people, undermining freedom of movement, obstruction of family life, forced displacement, extrajudicial killings, administrative detention, torture, deprivation of basic freedoms and rights, undermining political participation, curbing the economy and human development, expropriating land and property, and other Israeli racist practices against the Palestinian people; which constitute a crime against humanity and a flagrant violation of relevant international laws, including the International Convention on the Elimination of All Forms of Racial Discrimination, the International Convention for the Suppression and Punishment of the Crime of Apartheid, and the Rome Statute of the International Criminal Court;
13- **Calls upon** all countries and international organizations to hold their responsibilities and to address the policies, legislations and practices undertaken by Israel, the occupying Power, seeking to undermine the achievement of the independence of the State of Palestine and the peaceful two-State solution and to establish an apartheid system against the Palestinian people;

19- **Strongly condemns** the illegal Israeli decision to designate six active and effective Palestinian civil institutions at the local and international levels in the field of monitoring and follow-up on the Israeli violations of Palestinian human rights as “terrorist” organizations, and considering this invalid decision one of the tools of the brutal Israeli military force in an attempt to obscure the truth and conceal the Israeli crimes against Palestinian people;

Al-Aqsa Mosque and its walls with the aim of falsifying its history and undermining its foundations;

5. Strongly condemns the escalation of the Israeli aggression against the occupied city of Jerusalem through the intensification of house demolition campaign and forced displacement of citizens in the neighborhoods and towns of the occupied city of Jerusalem, as well as the unprecedented escalation of Israeli settlement plans and projects in the city, including the so-called “City Center” project, the Silicon Valley project, the City of David project, Settler's Light Rail project, Rebuilding Jerusalem project and the Real Estate Settlement Project in the city, all of which aim to plunder more Palestinian territories and properties in the Old City and its environs, demolish Palestinian economic facilities, impose heavy taxes on Jerusalemite citizens and conceal the Arab identity from the occupied city of Jerusalem; and calls on the international community to take deterrent action for these colonial projects that violate international law and relevant United Nations resolutions, and jeopardize the security, peace and stability of the entire region;

the resolutions that emphasize referring to the Blessed Al-Aqsa Mosque/Al-Haram Al-Quds Al-Sharif as a synonym for a single word; and that the Mughrabi Gate hill is an integral part of the blessed Mosque, and that the Jordan-run Administration of Jerusalem's Awqaf and Al-Aqsa Mosque Affairs is the only legal authority over Al-Aqsa Mosque/ Al-Haram Al-Quds Al-Sharif, including its administration, maintenance and access organization;

10- **Condemns** Israel (the occupying Power) for its expropriation, the illegal demolition and seizure of Jerusalemite citizens' houses, including the bloody recent attack by the Israeli occupation authorities which targeted residential buildings in different parts and neighborhoods of Jerusalem to serve its settlement projects inside and outside the Old City Walls, as well as the continued erosion of thousands of dunams for the construction of the greater Jerusalem project, including the construction of the so-called project (E1) and a belt of settlements to ensure the geographical discontinuity of Palestine in a view to tightening its control over Jerusalem;
