9- **Calls on** the Member States to support the efforts of the State of Palestine at UNESCO for preserving cultural and historical heritage of Palestine, particularly in the Holy City of Jerusalem; and to cooperate closely with the Hashemite Kingdom of Jordan in order to adopt resolutions by UNESCO, particularly resolutions that emphasize referring to the Aqsa Mosque/ Al-Haram Al-Qudsi

11- **Reiterates** condemnation of the established Israeli policy to distort the Arab culture and Islamic identity of the city of Jerusalem, whether through the closure of the Palestinian cultural institutions and attempts to steal the Palestinian heritage, or through attempts to change the educational curricula in the city of Jerusalem and the imposition of false Israeli curricula rather than the Palestinian curricula in the Arab schools, including the enforcement of financial and administrative sanctions against Palestinian schools that disobey this malicious policy, which go to the extreme of revoking school license and its closure;

2- Urges the international community, including the Security Council and relevant international bodies and organizations, to implement Security Council Resolution 2334 of 2016, which emphasized that Israel's colonial settlement activities constitute a flagrant violation of international law and an obstacle towards peace and demanded Israel, the occupying Power, to immediately and completely halt all settlement activities in the occupied Palestinian territories, including East Jerusalem, and emphasized that the international community shall not recognize any changes to 4 June 1967 lines, including Jerusalem, except for the changes to be mutually agreed upon by the parties through negotiations; and emphasizes the need to implement other relevant international resolutions on the illegitimacy and illegality of Israeli settlements, including Security Council Resolutions 465 of 1980 and 497 of 1981;

2022; Reaffirms Arab summit resolutions, most recently Tunis Summit Resolution 750 on 31 March 2019, which stipulated the rejection of all measures taken by the Israeli occupation authorities to alter the legal, natural and demographic status of the occupied Syrian Arab Golan, regarding the Israeli procedures to consolidate its control over Golan as illegal, null and void and a violation of international conventions, the United Nations Charter and resolutions, particularly Security Council Resolution 497 of 1981, General Assembly Resolution A/RES/63/99 adopted by 63 Session on 5 December 2008, which underlines that Israel's, the occupying Power, decision of 14 December 1981 to annex the occupied Syrian Arab Golan is illegal, null and void with no legal effect and constitutes a serious violation of Security Council Resolution 497 of 1981 and General Assembly Resolutions 21/64 on 2 December 2009, 18/65 on 30 November 2010, 106/65 on 10 December 2010 and 19/66 on 30 November 2011, and its successive resolutions most recent of which are Resolutions 11/76 on 1 December 2021, Resolution 81/76 on 9 December 2021 on the Occupied Syrian Arab Golan, and Resolution 225/76 on 17 December 2021 on "permanent sovereignty of the Palestinian people in the occupied Palestinian territory, including East Jerusalem and of the Arab population in the occupied Syrian Arab Golan over their natural resources;"

2- Supports Syria's just claim and right to restore all the occupied Syrian Arab Golan to 4 June 1967 line, based on the principles of the peace process, relevant international resolutions and the outcome of Madrid Peace Conference in 1991;

3- Reiterates that the continued occupation of the Syrian Arab Golan since 1967 constitutes an ongoing threat to peace and security in the region and the entire world; affirms adherence to relevant international resolutions, particularly those of the successive United Nations General Assembly, on "the occupied Syrian Golan", all of which affirm the applicability of the 1949 Geneva Convention relative to the Protection of Civilian Persons in Time of War to the Occupied Syrian Arab Golan; and considers the imposition of Israel, the occupying Power, of its laws, jurisdiction and administration over the Golan null and void and have no legitimacy whatsoever;

4- Condemns the Israeli practices in the occupied Syrian Arab Golan by means of seizure and confiscation of agricultural lands and natural resources, including underground resources, namely oil excavation, extraction to serve its economic interests, the depletion of natural resources through water drilling, dam construction, water diversion from lakes for the settlers’ interest, and deprivation of Syrian farmers from important water resources for the irrigation of their farms and the watering of their livestock; considers these resources the exclusive property of the people of the occupied Syrian Arab Golan, as endorsed by instruments, conventions and relevant international resolutions;

5- Emphasizes the Arab position of full solidarity with the Syrian Arab Republic and the Lebanese Republic to confront the continuous Israeli attacks and threats, considering any attack against them as an attack on the Arab nation;

6- Rejects and condemns the U.S. decision on 25 March 2019 to recognize Israel's sovereignty over the Golan; considers this decision null and void in form and

substance, and that it constitutes a serious violation of the Charter of the United Nations which clearly states the inadmissibility of the acquisition of territory by force, and the Security Council resolutions issued unanimously, in particular Resolution 242 of 1967, and Resolution 497 of 1981, that unequivocally adopts non-recognition of Israel’s annexation of the occupied Syrian Arab Golan; and emphasizes the full Arab support to Syria’s right to restore all the occupied Golan territory;

7- Emphasizes that the U.S. decision does not alter the legal status of the Syrian Arab Golan as a territory that has been occupied by Israel in 1967, and has no legal validity and does not confer any rights, obligations nor benefits;

8- Calls, once again, on the Administration of the U.S. President Joe Biden to abandon the former U.S. Administration decision of the illegal recognition of the Israeli sovereignty over the Golan; requests the Administration to revoke this decision as null in its form and substance, inconsistent with the responsibility of the United States as a permanent member of the Security Council to respect the Charter of the United Nations and the resolutions of the Council, represents a serious setback in the American position and a clear violation of the principles of international law and undermines the efforts exerted to achieve a comprehensive, lasting and just peace in the Middle East and to bring an end to the occupation, based on the principle of the land for peace;

9- Condemns the continuous Israel’s violations and its repeated attempts to impose a de-facto policy on the occupied Syrian Arab Golan and its confiscation of thousands of dunums of agricultural lands from the people of the Golan for establishing the destructive settlement project "Wind Turbine Generators", which is located in close proximity to Arab villages in the Golan, and constitutes a serious health and environmental threat to the people of the Golan villages, destroys large areas of agricultural lands, suffocates Arab villages and limits their urban expansion; condemns the repeated Israel’s attacks on the people of the Golan and its repression of their peaceful demonstrations, which express their rejection of that project targeting their land, their present life and the future of their generations; and calls on the international community to reject these aggressive measures, to strongly deplore them and to put pressure on Israel, the occupying Power, to stop these illegal practices;

10- Calls upon the international community to pressure Israel, the occupying Power, to stop its violations perpetrated against the inhabitants of the occupied Syrian Arab Golan and to abide by the recommendations of the General Assembly of the World Health Organization in its Report No. 26/75 of 19 May 2022 entitled "Health Conditions in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan", which requested Israel, the occupying Power, to re-consider the permit system to ensure patients' unimpeded access to services, patient escorts, ending arbitrary refusal or delay, providing independent and timely health services, improving conditions in Israeli jails, and ensuring non-discriminatory, accessible and equitable access to COVID-19 vaccines for the protected population in the occupied Palestinian Territory,
including East Jerusalem and the occupied Syrian Arab Golan, according to international law;

11- Supports the resilience of the Arab citizens in the occupied Syrian Arab Golan facing the Israeli occupation and its oppressive practices, as well as their determination to cling to their land and their Syrian Arab identity; affirms the need to apply the Fourth Geneva Convention of 1949 to citizens of the occupied Syrian Arab Golan; and condemns the Israeli occupation authorities and their flagrant violations of all rights of Syrian citizens, the youth and the elderly, under occupation in the Golan pursuant to the principles of international law and relevant international resolutions, which resulted in expatriation and displacement of thousands of residents, plunder of their lands, breaking up families and the impact of this situation on the lives of children and their upbringing, in addition to other numerous violations of children’s rights inconsistent with international obligations under the International Convention on the Rights of the Child;

12- Calls upon the international community to pressure Israel, the occupying Power, to desist from imposing Israeli citizenship and identity cards on Syrian citizens in the occupied Syrian Arab Golan, and to immediately end its repressive measures against the population and all other practices that hinder fulfillment of their fundamental rights and their civil, political, economic, social and cultural rights;

13- Condemns all the Israeli occupation authorities’ measures to impose local elections in the occupied Syrian Arab Golan and the attempts to Israelize it; considers this a deliberate attempt to eliminate the Syrian Arab identity of the Golan residents and to force them to abandon their heritage, history and homeland, which constitute a blatant defiance of the rules of international law and relevant international resolutions; and warns Israel, the occupying Power, of the consequences of such actions that would ignite the conflict, and abort all international projects and efforts aiming to achieve peace and security in the region;

14- Demands the United Nations, the Security Council and the Human Rights Council to ensure that Israel, the occupying Power, respects the Fourth Geneva Convention and the International Covenant on Civil Political Rights and to facilitate visits by residents of the occupied Syrian Arab Golan to their families and relatives in their homeland Syria through the Qunaytirah Crossing under the supervision of the International Committee of the Red Cross;

15- Urges the international community to pressure Israel, the occupying Power, to immediately release the Syrian prisoners and detainees in Israeli prisons and detention centers, some of whom have been detained for more than 29 years, and to treat them according to the principles of international humanitarian law; and calls upon the international community and bodies in addition to human rights organizations to expose such Israeli violations of the rights of the Syrian prisoners in the Golan, to condemn these practices and to oblige Israel, the occupying Power, to allow the Red Cross representatives to visit Syrian Arab prisoners in the Israeli prisons with specialist physicians to identify their medical
and psychological condition and to protect them, and to regard their continued
detention a flagrant violation of the United Nations resolutions, international
humanitarian law and basic principles of human rights;

16- **Reaffirms** all relevant international resolutions regarding the occupied Syrian
Arab Golan, especially the successive resolutions adopted by the United Nations
Human Rights Council, including its latest resolution No. 29/49 on 1 April 2022,
regarding “Israeli settlements in the occupied Palestinian territory, including
East Jerusalem, and the occupied Syrian Golan”, which condemned the
continued Israeli settlement activities, including the transfer of Israeli citizens to
the occupied territory, the de-facto expropriation and annexation of lands, the
demolition of homes and community infrastructure, the disruption of the
livelihoods of protected persons, and the construction of bypass roads that
change physical features and the demographic composition in the occupied
Syrian Golan and the rest of the occupied Arab territories; emphasized that the
Israeli settlements in the occupied Syrian Golan are illegal and violate
international law, especially Article (49) of the Fourth Geneva Convention and
international human rights law, and constitute a major obstacle towards
achieving the two-State solution; reaching a just, lasting and comprehensive
peace and achieving economic and social development; and demands that Israel,
the occupying Power, immediately cease all its settlement activities and fully
implement all relevant Security Council resolutions, and to halt all actions
harming the environment, including those committed by Israeli settlers,
involving dumping of all kinds of waste materials in the occupied Palestinian
territories and the occupied Syrian Golan, which gravely threaten their natural
resources, especially water and land resources, and jeopardize the environment,
health and health facilities of the civilian population;

17- **Condemns** the Israeli Government's policy that destroyed the peace process and
led to the continuous escalation of tension in the region; and calls on the
international community to oblige Israel, the occupying Power, to enforce the
United Nations resolutions concerning the full Israeli withdrawal from the
occupied Syrian Arab Golan and from all occupied Arab territories to 4 June
1967 lines.
