

## Kick-off Workshop

### Establishing a “Regional Exchange Platform on instruments for promoting Energy Efficiency in the MENA region (MEEP)”

Draft version of 02 October 2020

Date: Mid-End November

Format: Virtual

Language: English

*The workshop is the inaugural workshop of a network platform as described in the enclosed “Concept for a MENA Energy Efficiency Platform (MEEP)”. The workshop is intended to give the participants an overview of the status quo of energy efficiency in the region and to agree on a mode for further cooperation through dialogue between policy makers, industry representatives, researchers and other stakeholders.*

All times in UTC+2 (Egypt Standard Time)

- 2:00 pm – 2:10 pm ■ Welcome of participants (by Energy Department, League of Arab States)
- 2:10 pm – 2:15 pm ■ Introduction to the idea behind the MENA Energy Efficiency Platform (by GIZ)
- 2:15 pm – 2:30 pm ■ Introduction of participants
- 2:30 pm – 2:50 pm ■ Status of Energy Efficiency in the MENA region (by RCREEE)
- 2:50 pm – 3:15 pm ■ Introduction of the Study “Innovative Energy Efficiency Instruments for the MENA Region” (by GIZ)
- 3:15 pm – 3:45 pm ■ Expectations for the MENA Energy Efficiency Platform
  - Presentation of the results of the survey on the expectations on the MENA Energy Efficiency Platform and discussion about the development of the Network
- 3:45 pm – 4:00 pm ■ (Virtual) Coffee Break
- 4:00 pm – 4:45 pm ■ Input: Monitoring and Verification of Energy Efficiency Measures (Input tbc)
- 4:45 pm – 5:30 pm ■ Input by a regional Energy Efficiency Project / Super ESCO or similar (tbc)
- 5:30 pm – 5:55 pm ■ Next steps for the MENA Energy Efficiency Platform
  - Potential Workstreams
  - Next Meeting
- 5:55 pm – 6:00 pm ■ End of Workshop
